

Product Change Notice (PCN)

Date: **06/13/2025**

PCN Number: **PCN-021028R-01**

To Our Customers:

We appreciate your use of our products. Our commitment in maintaining and improving processes is demonstrated by plans to enhance our product quality, reliability, and manufacturability. The purpose of this notice is to inform you of a product change.

Product(s) Affected: **SIM-2-A**

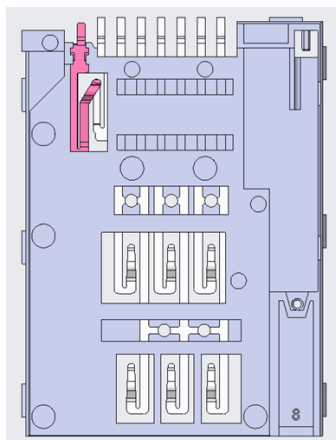

Reason(s) for Change: *Product mold is aging and soon requires replacement. The new replacement mold will contain small design improvements made to the card detection pin.*

Description of Change: *Mold Replacement. Design improvement. The card detection pin will be moved to be directly molded onto the plastic body of the card connector for a flatter and more secure connection. The card detection pin change has also resulted in a small change in the PCB footprint.*

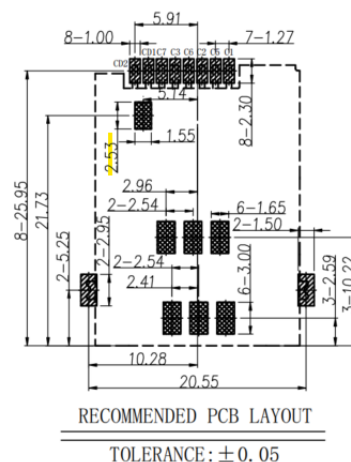

Affected Date Code: **6/30/2025**

Product Availability: *Old designs will be available to order until 6/29/2025. New mold design is currently available for order.*
