Product Change Notice (PCN)

Date: **10/15/2026**

PCN Number: **PCN-0370574R-02**

To Our Customers:
We appreciate your use of our products. Our commitment in maintaining and improving processes is demonstrated by plans to enhance our product quality, reliability, and manufacturability. The purpose of this notice is to inform you of a product change.

Product(s) Affected: *CMI-1265-88-SMT-TR*

Reason(s) for Change: *Increase performance stability and reliability.*

Description of Change: *The design has been updated from a traditional transistor configuration to an IC-based design, reducing the number of coils, wire connections, solder joints, and components to improve overall reliability. The IC design also incorporates voltage and temperature compensation to provide greater frequency stability, while red glue has been added beneath SMT components to improve stability during high-temperature epoxy curing. Masking label removed to increase heat dispensation.*

Affected Date Code: *2611*

Product Availability: *All goods with a date code of 2611 or later*

PCN Approval:
